

Kristin...Bethel Seminary

The service provided by S.M.I. has been invaluable. When I began this journey, the process of raising financial support was terrifying and overwhelming. The SMI staff has been there for me all along the way, not only professionally, but personally as well. Their prayers and encouragement have really kept me going. Also, they have provided outstanding professional support in the form of timely reporting, coaching, and training. They have always responded promptly to my needs and requests and they are open to hearing feedback for possible improvements to their system.

My experience with S.M.I has been very positive.

I encourage anyone raising support to consider using S.M.I!
