

Ray...Covenant Theological Seminary

I am so thankful for the **ministry & service SMI provides for the Kingdom of God.** Without the Lord's work through SMI, I don't know how Michele and I would have survived these past 4 years in seminary at Covenant. This has allowed me to work in serving the Lord and in gaining some income to help us in seminary. I also know that **God has been at**

work in planting the seeds of the gospel in the lives of international students here in St. Louis, something that SMI has allowed me to focus on while in seminary.

Thank you SMI!
